

KLSS NEWSLETTER

Term 1, March 23, 2018

The first ever KLSS newsletter!

KLSS to tell stories of life, learning and local community

A note from Writers club patron, Hon. Mr Benjamin Hosea Nyamugali: Welcome to the first intriguing, informative, edifying and educative newsletter from KLSS.

KLSS Writers club organisers (from left to right) Cathbert, Mr Nyamugali and Edmund.

Firstly, I would like to thank God for this successful work. I also thank the administration and the KLSS Writers Club for agreeing to sacrifice their time and efforts to help make this newsletter a reality and asset to the whole KLSS community. On behalf of the Writers Club and myself I would like to strongly venerate and congratulate everyone involved for helping KLSS reach this exciting milestone.

Learn more from the Earth's resources,

politics, cultural and spiritual which are devoured for Man's own benefit. A lot has happened and more is still being discovered.

Feed your minds with something of value and you will become a person of value.

KAIGARA SECONDARY VISIT KLSS PHYSICS CLASS

On Friday 9 March 2018 students from Kaigara secondary school in Muleba district came to spend the day at Katoke Iweru secondary school. Students arrived by a minibus to spend observing the life at KLSS and attending a physics class. The aim of the visit was to help them understand how to improve their physics department. In total 11 students from form 4 classes travelled from their school for the day. The KLSS Academic Master, Mr Emmanuel Luambano, was in charge of showing them around and took them to the physics class.

The students discussed the issue of cultural pressure to study science, saying they were fearful they would not find work after school if they did not study scientific subjects. The students shared that they had a need for more Government support to help them with science teachers and laboratory equipment.

After the class the students enjoyed a meal and then they had a conversation with KLSS physics teachers, Mr Matovu and Mr Mushumbus, who advised them about how they can improve their science subjects.

A MESSAGE FROM THE HEAD OF SCHOOL, MR KEN

Head's Newsletter Report

We started the year with a good enrolment of 481 students, and we especially welcome our 90 new form 1 students who have settled in well. We are very proud of our students and what they achieve in all areas.

Early news of academic success came with last year's Form 2 results – 67% of our students attained first division results and we received a commendation from the Minister for being rated second in our district. Our Form 4 results were not as good as this but we were still ranked in the top 14% in most subjects. Well done students!

Well done also to staff! We are also very proud of their leadership and efforts. This term we welcomed Maryness Karoli as a new IT (Computer Studies) Teacher. We also welcomed back to the School, as a Boarding House Patron and qualified Nurse, former student Evelius Mbundu.

In other activities our school Ukwata choir continues to flourish and enhanced its reputation with its Christmas DVD production. The video sold very well in Australia and the funds will now enable us to buy a new keyboard for the School. Sport and debating continue to be popular with many students actively involved. Our Scout Troup has grown and become active and celebrated Lord Baden-Powell's birthday with a Jamboree. And our wonderful Writers' Club has made this first Newsletter a reality.

The School continues to make improvements to its facilities wherever it can. The completion of a new dormitory for Form 5&6 students has made a huge difference for the boys, and a new staff accommodation block is now ready for occupation. We are currently working on improving Dining facilities, and also our internet provision so that we can make full use of our newly equipped computer laboratory.

We are very grateful for the contributions made over many months by Mr Kevin, our volunteer builder, and his wife Madam Valma, our volunteer Library Assistant. We also thank our Trust Visitors, Mr Adrian and Madam Lorna; Mr Jimmy and Madam Alexis, for their valued contributions this term.

To all our students and parents: Enjoy the holiday, but let us especially remember at Easter time the death of our Lord Jesus, who died for us, and celebrate also his resurrection.

STUDENT ARTWORK

Our student artwork for this term is by student Proches Kabanza. The piece is titled 'The wind within', pencil on artboard.

KEY DATES FOR TERM 2, 2018

Please note the following important dates for next term:

Monday 9th April - Beginning of term 2 (Don't be late!)

Friday 20th April - Form 6 Graduation

Thursday 26th April - Forms 1-3
Parent/Teacher Interviews

Friday 27th April - Forms 4&5 Parent/Teacher
Interviews

Monday 7th May - Form 6 Examinations begin

STUDENT DEVOTION

God can transform you from the state of being considered nothing. He brings to shame those who mistreat you and regard you as a commodity of no commercial value. After some years you will be seen as an honourable valued person.

God does wonders to prove his might to those who consider him only a god of mountainous and rough places that he is also a god on plain areas.

In Jesus our status will change from 'rejected' to 'accepted' because God was and still is at work.

Composed by Irene Vithalis

KATOKE LWERU

Ooh!! My friends come and watch us,
The beautiful school of ours.
Ooh!! Katoke Lweru,

The school where every talent grows from.
Do you want to watch us,
I think yes, if you like.
Come and watch us how we dance, sing,
preach and interact.
Have you ever seen the place where people
sing to an extent that the earth shakes?
Come and look the UKWATA choir! Alright, this
is KATOKE LWERU: Plentiful dorms and
accommodation, Beautiful food, Talented
students, Good staff and qualified teachers.

Mmhh!!! Friends, always we gather together to an extent that we are of the same origin and family. If you may, come and watch us during devotion, every day we gather. **In fact this is KATOKE LWERU.**

A NOTE FROM KLSS HEAD GIRL

Hello! It's Sylvia Geoffrey (pictured) a.k.a *Clone*

*Girl** - Did you know that *yesterday is history and today is an opportunity?* If yes, then you ought to realise every opportunity that comes before you, and use it effectively. **Note in brain:** If you want to succeed in life then always have people around you, that inspire you. **Clone Girl - Means someone who is charming and happy*

KLSS TERM 1 SPORTS REPORT

WRITERS CLUB

Hellow! Permit me to take this tribute to welcome you into the very first newsletter of

Writers Club 2018 at KAtoke Lweru Secondary and High School.

Nowadays the world seems to develop different things that goes and pass on and it's up to us to write such issues. Thus, students in the Writers Club get different opportunities to express their ideas through writing different articles, poems, short stories and much more.

Come join us! As we make imaginations into reality and expose your ideas into practice. Therefore, I believe that through this club, students will have bigger and wider chances to become the best writers in future through the marvelous experience they get from this club. Our club motto:

Together we can write the future! Welcome!

By Writers Club Chairperson, Edmund Paschal (pictured above)
